Hi Suzanne and Lynette,

Thanks again for inviting LBL to present at your the IEPR committee workshop. I hope the information from our report was useful for everyone.

I wanted to provide follow-up to two questions that were asked that I couldn't answer off-hand.

- 1) Per a question on slide 5: Insulation workforce and spending estimates do include both new and existing buildings
- 2) Per a question Panama Bartholomew asked - Our methodology is in the appendix of our forthcoming workforce size report. We will be happy to share a draft report when it's ready, which should be before the end of this year.

Please forward this information to anyone who might be interested, and let us know who might be interested in receiving a draft of our next report.

Best,

Liz
