ATTN: Docket No. 07-AFC-5

DOCKET 07-AFC-5
DATE AUG 30 2010
RECD. SEP 01 2010

August 30, 2010

To Whom It May Concern:

Through Western Lands Project, an organization that I am a member of, I have become aware that a company by the name of Bright Source has plans to build three solar plants on public lands in Ivanpah Valley. While I applaud the efforts to build solar energy plants I cannot condone this use of public lands and subsequent removal of desert tortoises.

Respectfully,
