DATE SEP 02 2010

RECD. SEP 02 2010

**MARIPOSA ENERGY PROJECT
STATUS REPORT #3
and
REQUEST FOR SCHEDULING
CONFERENCE**

This is the third Status Report for the Mariposa Energy Project (“MEP”) project filed by Mariposa Energy, LLC (“Mariposa Energy”). Mariposa Energy submits this Status Report in compliance with the Committee Scheduling Order issued on October 30, 2009. This Status Report provides a summary of recent licensing activities through August 30, 2010.

BAAQMD Preliminary Determination of Compliance

The Bay Area Air Quality Management District (BAAQMD) issued the Preliminary Determination of Compliance (PDOC) in August 2010. BAAQMD is receiving written comments on the PDOC through September 27, 2010.

Data Responses

Mariposa Energy has responded to all data requests from Commission Staff.

Request for Scheduling Conference

Mariposa Energy believes that the Staff has all of the information necessary for the Staff to finalize and publish its assessment of this Application. Therefore, with the concurrence of Commission Staff, Mariposa Energy requests that the Committee set a scheduling conference at the Committee’s earliest available date. Given the lengthy delay which has resulted from delay of the

PDOC, a delay which is in no way the fault of the Applicant or the Staff, there is a real urgency to moving this Application forward. Mariposa Energy would like an opportunity to bring these urgent matters to the attention of the Committee, and to receive Committee direction regarding the prioritization of this matter and regarding the timely publication of the Staff's analysis.

Sincerely,

Greggory L. Wheatland
