Re: Docket No. 08-AFC-13, Application for Certification for the
Calico Solar Project (Formerly SES Solar One)

Dear Felicia Bellows:

On September 10, 2010, Tessera Solar submitted Scenarios 5.5 and 6 for consideration at the September 20, 2010, Evidentiary Hearing.

While both scenarios address mitigation to desert tortoise habitat, both scenarios involve the closure of a segment of Hector Road designated as open route AF052 of the California Desert Conservation Area (CDCA) Plan and thereby do not comply with all applicable laws, ordinances, regulations and standards regarding access to private lands.

Pursuant to Title 20, section 1723.5(d) of the California Code of Regulations, I hereby request the Applicant submit a revised Scenario 5.5 with segments AF133 and AF052 of Hector Road forming the Project's northern boundary for consideration by the Committee and other parties.

The Applicant's figures for Scenarios 5.5 and 6 clearly show that barring a few exceptions, the high-density desert tortoise habitat is north of Hector Road and this road, which has been used for over fifty years, is a logical and reasonable compromise to the two scenarios. Moreover, under a revised Scenario 5.5 with Hector Road as a northern boundary, Hector Road would remain open and resolve the major dispute regarding local access to private lands.

Sincerely,

Patrick C. Jackson
