Project Title: Adoption of revisions to the *Overall Program Guidebook for the Renewable Energy Program*

Project Location: 1516 9th Street, Sacramento, Sacramento County, California 95814

Description of Nature, Purpose, and Beneficiaries of Project: The purpose of this activity is to revise guidelines previously adopted by the California Energy Commission to govern the general administration of its Renewable Energy Program ("Program") and the Program elements. These guidelines are set forth in the *Overall Program Guidebook for the Renewable Energy Program* and were revised to address changes in law and decisions of the California Public Utilities Commission, and to clarify the guidelines based on lessons learned and stakeholder input. The California Energy Commission and participants of the Renewable Energy Program benefit from the adoption of revisions to these guidelines.
