Sacramento, CA 95814

From: California Energy Commission
1516 9th Street MS-2000
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: Inland Empire Energy Center

Energy Commission Docket Number: 01-AFC-17C

Energy Commission Contact Person: Dale Rundquist **Phone #:** (916)651-2072

Project Location: Riverside County, California

Project Description: This Amendment will make the California Energy Commission Air Quality Conditions of Certification consistent with the current South Coast Air Quality Management District permit that changed after the completion of the Inland Empire Energy Center certification process.

On December 15, 2010, the California Energy Commission approved the above-described amendment pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The amendment will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the amendment.
3. A statement of Overriding Considerations was not adopted for the amendment.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
