Mariposa Energy Project)	Petition for Intervention of the
)	Sierra Club California
)	
_____)	

1. Sierra Club California petitions to intervene in the above captioned proceeding.
2. Petitioner will be represented by Edward A. Mainland.
3. Petitioner is not a member of a group or organization that is already a party to this proceeding,
4. Petitioner has an interest in the proceeding because Sierra Club sponsored Measure D to preserve the East County Area for open space. The Club spent a substantial amount of money and resources to pass this initiative but Alameda County has failed to properly implement the initiative and the provisions of the ECAP. The Club has issues with the greenhouse gas emissions analysis and the need for new natural gas fired power plants. The Sierra Club intends to review the recently issued Revised Staff Assessment to determine if the project complies with all LORS and CEQA.
5. Petitioner understands that he will receive all relevant documents in this proceeding and that he will be responsible for supplying other parties with information and documents properly requested, as well as complying with the orders of the Presiding Committee
6. Petitioner certifies that he has provided a copy to the applicant's attorney of record and others on the official service list.
