The Prehearing Conference is a public forum where the Committee will assess the parties' readiness for an evidentiary hearing, identify areas of agreement or dispute, and discuss the remaining schedule and procedures necessary to conclude the certification process. (Cal. Code Regs., tit. 20, § 1718.5.)

At the Prehearing Conferences, all parties (Staff, Applicant and Intervenors) shall present their respective positions regarding: the substantive topic areas ready for evidentiary hearing; those topics that require further analysis, including the nature of, and time frame for, any such analysis; the topic areas that have been resolved; the topic areas that are disputed and require adjudication, and topic areas where a party seeks an overriding finding of public necessity and convenience. (Pub. Res. Code § 25525.) The parties shall also identify proposed witnesses, as well as the time required for direct testimony and/or cross-examination.

Local, state, and federal governmental agencies may participate at the Prehearing Conferences and Evidentiary Hearing, as necessary. (Cal. Code Regs., tit. 20, § 1714.5.) Elected officials and members of the public may present public comments at these events and/or submit written comments to the Energy Commission's Docket Unit. Please include "**Palmdale Hybrid Power Project, Docket No.08-AFC-9**" on any written comments.

The parties shall also submit a **WORD version** of their statements to the Hearing Officer via e-mail.

FAILURE TO FILE A TIMELY PREHEARING CONFERENCE STATEMENT MAY PRECLUDE A PARTY FROM PARTICIPATING AT THIS HEARING.

- d) The identity of each witness sponsored by each party (***note***: witnesses must have professional expertise in the discipline of their testimony); the topic area(s) which each witness will present; a brief summary of the testimony to be offered by each witness; qualifications of each witness; the time required to present direct testimony by each witness; and whether the party seeks to have the witness testify in person or telephonically;
- e) Topic areas upon which a party desires to cross-examine witnesses, a summary of the scope of each such cross-examination (including voir dire of any witness' qualifications), and the time desired for each such cross-examination;
- f) A list identifying exhibits and declarations that each party intends to offer into evidence and the technical topics to which they apply (as explained in the following section on Formats for Presenting Evidence);
- g) Topic areas for which the Applicant will seek a commission override due to public necessity and convenience pursuant to Pub. Resource Code § 25525.

- h) Proposals for briefing deadlines, impact of vacation schedules, and other scheduling matters; and

2. To facilitate the Committee's efficient organization and review of the Project, printed copies of the exhibits for each topic area shall **also** be compiled in separate file folders designated by topic with the appropriate Exhibit Number attached to each document. This compilation shall include all opening and rebuttal testimony filed by the party and shall be provided to the Hearing Officer **no later than January 31, 2011**.
