Presenter: Ronald L. Gaiser / Council on Competitiveness – Washington D.C.  
Member of Council on Competitiveness – Executive Advisory Committee

**IV. DEMONSTRATIONS & TESTIMONIALS**

Presenter: Glenn Nuttall / Patent Attorney – Knobbe, Marten, Olsen & Bear  
Representing Genergy, LLC  
[http://kmob.com/pages/bio\\_template.cfm?idkey=199&T=N](http://kmob.com/pages/bio_template.cfm?idkey=199&T=N)

Presenter: Joe Zhou, PE, PhD / Hydroelectric Engineer – Sunrise Engineering, Inc.  
Speaking on behalf of Genergy, LLC.

**V. LEGAL ARGUMENTS**

Presenter: Bruce Yonehiro / Attorney – Charles Ott Law Offices  
Appearing on behalf of Genergy, LLC.

**SUMMARY & CONCLUSION**

Presenter: Ronald L. Gaiser / Council on Competitiveness – Washington D.C.  
Member of Council on Competitiveness – Executive Advisory Committee

Dr. Joe Zhao, P.E.  
Geotechnical/ Powerhouse

Dr. Zhao has extensive training and experience in the design and construction of hydroelectric projects. He obtained his B.S. in Civil Engineering with the specialty of Hydroelectric Engineering in China. He worked in the Hydroelectric Group of WUHEE for four years where he participated in the design of hydroelectric plants and conducted research on the stability of underground hydroelectric plants.

Dr. Zhao has been a design member for several hydroelectric projects. He has experience in the plan and design of hydroelectric plants using Francis, Kaplan and Pelton turbines. He has performed geotechnical/geological investigations and evaluations of dam sites, design of dam/ cofferdams, powerhouses, retaining walls, slopes and foundations. and design, intake design, hydraulic profiles, flow duration curves, manufacturer design coordination and ancillary equipment selection. He also provides construction oversight and field review of his projects during construction depending on the needs of the owner. This work includes tracking of quality control and testing, pay request approval, and project documentation.
