RECD. May 04 2011

Hello,

As a resident and parents of children in Mountain House, I am writing to oppose to the building of the Mariposa Power Plant. We do not want the power plant built here and did not have a say as Mountain House residents in the matter. There is potential danger to both the air pollution as well as to the socio-economics of the community. I urge you to reconsider the matter.

--

Thank you!
