Subject: Calico Solar Project Amendment - Request for Response

All:

As you are aware, the Committee issued an order dated May 2, 2011 that allows electronic service of documents when specifically requested. The Committee order describes the allowed methods and formats for electronic service.

To facilitate the service of documents in this matter, reduce paper use, and avoid confusion, I ask that you consider agreeing to electronic service as the default method of service for all documents. Please advise me and all of the parties by email Friday, May 13, 2011, of your service preference.

Thank you for your anticipated cooperation,
Kourtney Vaccaro
