Dear Mr. Hoffman,

On September 29, 2010, the California Energy Commission approved Application for Certification 08-AFC-5, originally filed by Stirling Energy Systems Solar Two, LLC ("SES Two"), for the Imperial Valley Solar (IVS) Project. The name of SES Two was changed to Imperial Valley Solar, LLC. AES Solar Power, LLC purchased Imperial Valley Solar, LLC in February 2011 and has determined that it will be changing IVS Project's technology from solar thermal to PV. As a result, we believe that the IVS Project no longer falls within the Commission's permitting jurisdiction on the site intended for the IVS Project. AES Solar therefore requests that the permit to construct the IVS Project be revoked because of the change to PV from solar thermal.

Please call Scott Taylor if you have any questions. As an authorized signer of Imperial Valley Solar, LLC, under penalty of perjury, responsible for overseeing the development of the project, I am signing this letter below approving the revocation of the permit.

Sincerely,

Patricia L. Rollin
