DOCKET	
11-IEP-1B	
DATE	<u>JUL 06 2011</u>
RECD.	<u>JUL 06 2011</u>

Attached is the CCSF IEP-1B2011.

Please note that while CCSF no longer sells firm power to Modesto and Turlock Irrigation Districts, we sold nonfirm power to them in 2010 under WSPP as shown on S-3 form. CCSF's Recorded Demand at Take Out is the sum of Muni, Airport Tenants (APT), and Norris (NRRS). As shown on S-3 form, CCSF 2010 Annual Demand Peak was 144 mw that occurred on Sep2 during the hour before noon.

Thank you, Jim, for all your help.
