Re: Docket No. 11-CAI-01, Calico Solar Project - Complaint and Investigation  
Petition to Intervene

Dear Ms. Stora:

Pursuant to Title 20, CCR, Section 1207(a), I hereby petition to intervene in the Complaint and Investigation Proceeding of the Calico Solar Project (Project). I was an Intervenor in the Project's Application for Certification, Docket No. 08-AFC-13, and currently an Intervenor in the Compliance Proceeding, Docket No. 08-AFC-13C.

I have an interest in this proceeding as I own property adjacent to the Calico Solar Project and the Project will have a direct impact on my property. I am concerned about my property; my property rights; my health and safety; the health and safety of visitors to my property; and the rights, health and safety of the public accessing public lands surrounding the Project.

I am not a member of any group or organization already a party to this proceeding. I intend to fully participate in all hearings and workshops relating to these matters. I will represent myself in this proceeding but reserve the right to have legal counsel represent me at a later date.

I agree if a document is served upon me via e-mail, an additional paper copy by mail is not necessary.

I certify under penalty of perjury all statements made in this document are true, correct and complete to the best of my knowledge and belief.

My contact information is:
