**SUBJECT: ABENGOA MOJAVE SOLAR PROJECT (09-AFC-5C)
CONFIRMATION OF COMPLIANCE**

Dear Mr. Stucky:

As stated in the December 15, 2011 Confirmation of Compliance letter, Abengoa Mojave Solar Project is currently in compliance with the Energy Commission Decision. The letter of credit providing the BIO-15 security deposit also continues in full force and effect.

Energy Commission staff is currently working with AMS to resolve issues concerning the use of construction water from existing wells that are required to be abandoned, the proper disposal of asbestos containing pipe, and a fire protection/emergency response services agreement between AMS and the San Bernardino County Fire Department.

If you have any questions, please call me at (916) 651-2072, or send an e-mail to me at drundqui@energy.ca.gov.

Sincerely,

Dale Rundquist
