Re: Docket Number Request

Please open proceeding 12-OIR-02, titled "Amendments to Regulations for the Geothermal Grant and Loan Program."

The existing geothermal listserv should function as the distribution list for now. There is no proof of service list as it's a rulemaking.

Listserv: geothermal

In-house distribution

Robert B. Weisenmiller, Chair & Lead Commissioner, Research & Development
Sekita Grant, Advisor
Kevin Barker, Advisor

Laurie ten-Hope, Division Deputy Director, Research & Development
Cheryl Closson, Research & Development
Allan Ward, Assistant Chief Counsel
Robin Mayer, Staff Counsel

Thank you.
