Hello,  
My name is Angelina Chicca and I live at 9944 Carlton Place Santee, Ca. 92071. I am also a MTRP -Park user. I just moved to Santee in July of 2011, and purchased this house based on location. I live about 1.5 miles East and upwind from the proposed site for the power plant. I am asking the CEC to kill this project, please consider the "No project alternative that uses conservation as a strategy" Thank you for your time.
