Subject: CEC record □ Docket #11 □ AFC □ 03 Quail Brush Power Generation Siting Case.”

I am opposed to the Quail Brush power plant in San Diego. This land was a federal gift to san Diego as an open space for citizens to enjoy. Now San Diego wants to turn our regional park into a power plant. It's right across the street from a high school and will pollute the eastern cities of san Diego County, both with noise and air pollution.

Sincerely
David Baxley
