Hello Mr. Solorio,

I will not be able to attend the meeting tonight at Mission Trails Regional Park so I wanted to send another note of opposition. I STRONGLY oppose this project. Please deny CPA Initiation. I am very concerned for the following reasons:

1. The drop in my home price. I live less than 5 miles from the proposed site.
2. The noise this plant will cause
3. How will it affect my health and the health of others
4. Why is the company who wants to build it only reporting on 43% usage when I've been reading during the summer months it will be at 100% usage?
5. What damage would it cause in the long run to Mission Trails Park?

Again, please deny CPA Initiation!!
