Hello,

As a concerned citizen, I strongly oppose a (1) MHPA Boundary Line Adjustment, (2) Community Plan Amendment of Open Space, (3) Rezone of (RS-1-8) residential zoning to industrial zoning within the East Elliot Community Plan area, and (4) Revision of the City's Multi-Species Conservation Program (MSCP) Subarea Plan, all of which actions are intended to facilitate the siting of a Power Plant.

Additionally, I respectfully request the CEC to consider the "No Project Alternative" for Docket #11-AFC-03 Quail Brush Generation Project Power Plant Licensing Case.

Our open space and natural habitats are very a very precious resources that we should keep not just for ourselves now, but for our our future - our children. Please consider my request and that of others trying to save our precious lands.

Respectfully,

Jose Barajas
