**Subject: EC record-Docket #11-AFC-03 Quail Brush Power Generation Siting Case**

Dear Mr. Solorio,

I am writing to state my opposition to the siting of this power plant. The site is right next to a regional park in San Diego, and there is an industrial area only a few miles to the west (Kearney Mesa). Please respect the current zoning and place this plant in a more appropriate location and choose the "No Project Alternative".

Best Regards,

Carrie Schneider
