California Energy Commission

DOCKETED
12-CAI-02

TN # 65916

JUN 22 2012

IN THE MATTER OF

**COMPLAINT AGAINST AND REQUEST
 FOR INVESTIGATION OF VALLEY
 DUCT TESTING**

Docket No. 12-CAI-02

**COMMITTEE RULING CONDITIONALLY DISMISSING CALCERTS, INC.’s COMPLAINT AGAINST
 AND REQUEST FOR INVESTIGATION OF VALLEY DUCT TESTING**

On April 13, 2012, CalCERTS, Inc. filed a Complaint Against and Request for Investigation of Valley Duct Testing (“Complaint”). The Complaint essentially alleges that Valley Duct Testing (VDT) engages in business practices that encourage or require “Raters” to violate Energy Commission’s Home Energy Rating System Program. (Cal. Code Regs., tit.20, §§ 1670 – 1675.) The Committee evaluated the Complaint for sufficiency and merit. (Cal. Code Regs., tit.20, § 1232, subd. (a)(1).)

Upon careful review of the Complaint allegations, the Committee finds that the Complaint does not address two essential matters: (1) whether, and how, the Energy Commission has jurisdiction over VDT, who is neither a “Rater” nor a “Provider” regulated by the HERS Program and (2) specific HERS Program provisions allegedly violated by VDT. CalCERTS may address these matters in an amended complaint filed by 4:30 p.m. on July 6, 2012. The Committee will treat the amended complaint as a new complaint subject to the timeline and requirements of California Code of Regulations, title 20, section 1232.

If CalCERTS chooses not to file an amendment, the Complaint shall be deemed dismissed, without prejudice, effective 4:31 p.m. on July 6, 2012.

IT IS SO ORDERED.

Dated: June 22, 2012, at Sacramento, California.
