Subject: 11-AFC-03, Quail Brush Power Plant, City of San Diego Project #270282

Dear Planning Commissioners, City Council members and CEC Commissioners,

I strongly urge you to reject the initiation of changes to "LORS" required for the Quail Brush Power Plant.
Staff's justifications fail to meet city criteria required for initiating amendment.

The community expects officials to ENFORCE our Laws, Ordinances, Regulations and Standards (LORS) and the City of San Diego General Plan policies.

This power plant would be a disaster for our community, schools, and parks.

Sincerely,
Tara Chaparro
