AUG 16 2012

**TO:** *All Parties**Date: August 16, 2012***RE:** **SUN VALLEY ENERGY PROJECT**
Docket No. 05-AFC-03

Attached is the **newly revised** Proof of Service List for the above-mentioned project, current as of August 16, 2012.

Note that the presumptions about e-mail only service of documents on the parties have changed. Formerly, you had to affirmatively indicate your willingness to accept e-mail only service. Now all parties are presumed to accept e-mail only service unless they specifically inform us that they wish to receive paper copies.

Pursuant to the “General Orders Regarding Electronic Document Formats, Filing and Service of Documents and Other Matters” adopted in this proceeding, until a party indicates to the Presiding Member or Hearing Adviser that it requires a hard copy, an e-mailed copy of all electronic documents of 5 megabytes maximum file size is sufficient for service in this proceeding. No hard copy of an e-mailed document need be provided. Where a party is designated on the Proof of Service List for this proceeding as “hard copy required” or similar words, parties shall deliver a paper copy of all written material they file in this proceeding in person or by first class mail, or other equivalent delivery service, with postage prepaid to the person so designated. Regardless whether a party has indicated a preference for hard copies, documents larger than 50 pages may alternatively be sent in the form of an electronic file recorded on a compact disk rather than as a paper copy, provided that the party is offered the opportunity to request a paper copy.

Unless otherwise specified in a regulation, all materials filed with the Commission must also be filed with the Docket Unit. (Cal. Code Regs., tit. 20, § 1209(d).) Some regulations require filing with the Commission’s Chief Counsel instead of the Docket Unit. For example, Section 1720 requires a petition for reconsideration to be filed with the Chief Counsel and served on the parties. Service on the attorney representing Commission staff does not satisfy this requirement. This Proof of Service form is not appropriate for use when filing a document with the Chief Counsel under Title 20, sections 1231 (Complaint and Request for Investigation) or 2506 (Petition for

Inspection or Copying of Confidential Records). The Public Advisor can answer any questions related to filing under these sections.

New addition(s) to the Proof of Service are indicated in **bold font** and marked with an asterisk (*).

Use this newly revised list for all future filings and submittals. This Proof of Service List will also be available on the Commission's project web site at:

Please review the information and contact me at jacqueline.clay@energy.ca.gov or (916) 654-3893, if you would like to be removed from the Proof of Service or if there are any changes to your contact information.
