Categories: Ready to Docket

Dear San Diego City Councilmembers,

Please vote against all three destructive proposals – Quail B Power Plant, 24-hour dumping at the Sycamore Landfill and destruction of west hills with rare vernal pools by the Castlerock subdivision. These proposals degrade our parks while threatening our health and community. Significant unmitigable Toxic Air Contaminant impacts, excessive noise, and destruction of scenic open space resources should not be allowed.

Sincerely,

California Energy Commission
