I, Dorian S. Houser, pursuant to the Committee Scheduling Order posted March 05, 2012 file this status report to the Committee. As part of the discovery process, I filed a series of additional data requests pertaining to Alternatives and Air Quality (Intervenor Dorian S. Houser's Data Requests 28-35, dated 11 September, 2012). I have reviewed responses to Staff and Intervenor data requests provided by the Applicant in anticipation of further data requests. However, I have determined it best to postpone those data requests until additional information is provided by the applicant later this month as a result of changes in the proposed plant design.

Dated: September 14, 2012

Respectfully submitted,
