Categories: Ready to Docket

Dear San Diego City Councilmembers,

Please send the strongest possible message to the CEC by unanimously saying NO to the Quail Brush Power Plant project's request to initiate changes to our land use regulations. If approved, Quail Brush will tower above a sports complex, a high school, multiple elementary schools, quiet neighborhoods, prized open space/recreational trails, various threatened species, and one EXTREMELY FLAMMABLE ECOSYSTEM. The potential for problems, if not disaster, cannot be overstated. Your action, now, is required to protect the future. Do not rezone to accommodate the Quail Brush Power Plant.

With sincere concern,

Joey Sutera
