**SUBJECT: COMPLIANCE WITH ABENGOA MOJAVE SOLAR PROJECT
WORKER SAFETY-6**

Dear Mr. Redell:

On May 30, 2012, I sent a letter to you entitled "Compliance with Abengoa Mojave Solar Project Worker Safety-6" (attached). In that letter I mentioned how the Energy Commission considers your efforts to meet your obligations as described in Condition of Certification **WORKER SAFETY-6** as an indication that Abengoa Mojave Solar (AMS) is and will remain in compliance with **WORKER SAFETY-6**. I also stated that a copy of the final mitigation agreement between AMS and San Bernardino County Fire Department (SBCFD) and proof of mitigation payment must be submitted to the Compliance Project Manager by September 15, 2012. As of today's date, we have not received this agreement.

The California Energy Commission (Energy Commission) is in receipt of information that the agreement will not be ready until October 2, 2012.

A signed copy of the final mitigation agreement between AMS and SBCFD and proof of mitigation payment must be submitted to the Compliance Project Manager by the close of business Friday, October 5, 2012 for AMS to remain in compliance with Condition of Certification **WORKER SAFETY-6**.

Sincerely,

CHRISTOPHER J. MARXEN
Compliance Office Manager
Siting, Transmission, and
Environmental Protection Division
