AMENDMENT***

Docket No. 08-AFC-13C

REVISED COMMITTEE SCHEDULING ORDER

On April 20, 2011, the Energy Commission Siting Committee convened a public site visit and conducted an Informational Hearing in Barstow, California regarding Calico Solar, LLC's Petition to Amend filed on March 22, 2011. On May 2, 2011, we issued a Committee Scheduling, Briefing, and Procedures Order. Subsequent events have rendered the schedule and other provisions of that order moot or obsolete. We therefore issue this revised order to update the schedule regarding the processing of a revised Petition to Amend filed on June 26, 2012.

K Road Calico Solar LLC, the project owner, in a Status Report filed on September 6, 2012, requests that we postpone our informational hearing on the revised Petition to Amend until after it has prepared certain supplementary reports and Commission staff has an opportunity to review those reports. It suggests that monthly status reports be used to inform the parties and Committee of its progress. Staff, in a Status Update filed on September 14, 2012, concurs. We find the proposed approach suitable and adopt the attached schedule requiring status reports on October 10, 2012 and every month thereafter. The rest of the schedule is left to be determined. When the informational hearing is scheduled, the parties will be asked to recommend a suitable schedule and identify and address other issues related to the schedule for discussion during the informational hearing.

The Committee may modify the schedule at any time upon either its own initiative or a party's motion.

The review of the revised Petition to Amend is a continuation of the amendment proceeding begun in 2011. Persons previously approved as intervenors retain that status and do not need to file another petition to intervene.

The requirement contained in the May, 2011 Committee Scheduling, Briefing, and Procedures Order that "data requests may be propounded only upon Calico Solar, LLC and any such requests may be propounded only after the Committee issues written findings of good cause" is revoked.

Public Participation

The Energy Commission Public Adviser is available to assist the public in participating in the amendment review process.
