

Public Comment regarding the proposed Quail Brush Generation Project

I would like to make the following written comment. I understand that my comments will be docketed and may be posted on the Energy Commission's website and be available to the public.

- QUAL BRUSH IS NOT NEEDED: SOUTHERN CALIFORNIA (CENTRA) HAS A NEW POWER LINE TO BRING IN POWER FROM FOUR CORNERS AND MEXICO (SUNRISE POWER LINK)
- PREVAILING WINDS ARE TO THE EAST: POLLUTANTS WILL FIRST HIT THE NEIGHBORING HIGH SCHOOL AND ALL RESIDENTIAL AREAS OF THE SANTEE VALLEY
- WATER EFFLUENT FROM THE PROPOSED PLANT WILL DAMAGE GROUND WATER AND DOWN RIVER (SAN DIEGO RIVER) WATER
- THE PROJECT IS FAR REMOVED FROM CITY OF SAN DIEGO FIRE PROTECTION AND THE CITY OF SANTEE I UNDERSTAND, HAS NO MUTUAL FIRE AND PLAN FOR THE SUBJECT AREA.
