Subject: Mission TrailsCEC record-Docket #11-AFC-03 Quail Brush Power Generation Siting Case.”

Dear Sir or Madam,

I'm completely opposed to having any Power Plant in Mission Trails or Santee California. I'm disgusted that you would consider putting a Power Plant across the street from my children's high school.

We have other areas in San Diego that you can place a Power Plant. Why do you put our community in harms way of Toxic Fumes.

Please consider human beings above profit.

Elle Swift
