Dear CEC,

Stop making a farce out of the process!! Everyone in the community is against this project. Time and time again we have voted against the project. You are not respecting our opinions and disregarding our arguments of why we don't want it here. You are using legal maneuvering to strip our resources and lower our standard of living, and only to send the profits to greedy companies that couldn't care less about our community.

Do the right thing and stop this project. Chose NO PROJECT ALTERNATIVE. Uphold the city of San Diego LORS.
