**Re: Dynegy Moss Landing, LLC, Project 99-AFC-4C,  
Application for Confidential Designation, Docket No. 12-IEP-1c**

Dear Mr. Oglesby:

Pursuant to Section 2505(a)(1), Title 20 of the California Code of Regulations, Dynegy Moss Landing, LLC ("Dynegy"), hereby submits this Application for Confidential Designation ("Application") for certain request parameters of the California Energy Commission's ("CEC") As-Operating Information Request. The records specified in the attached Application constitute (i) corporate financial records and/or (ii) corporate proprietary information (including trade secrets) and should be designed as confidential.

We are enclosing the Application and five compact disks containing the confidential information. Please feel free to contact me at (831) 633-6748 or [pete.j.ziegler@dynegy.com](mailto:pete.j.ziegler@dynegy.com) should you have any questions or require additional information. Thank you for consideration of our request.

Sincerely,
