**APPLICATION FOR CERTIFICATION FOR THE
QUAIL BRUSH GENERATION PROJECT**

Docket No. 11-AFC-03

COMMITTEE ORDER GRANTING PETITION TO INTERVENE

Upon consideration of the Petition to Intervene filed by California Pilots Association (CalPilots) (Petitioner), the Committee designated to conduct proceedings in this matter makes the following findings:

1. On December 6, 2012, a Petition to Intervene in the above-captioned proceeding was filed by:

**California Pilots Association
c/o Andy Wilson
31438 Greenbrier Lane
Hayward, CA 94544
Voice: (510) 303-9027
andy.wilson@calpilots.org**

2. The Petition was timely filed and contains the information required by Section 1207 of the Commission's regulations (Cal. Code Regs., tit. 20, § 1207);
3. No opposition to said Petition has been filed; and
4. Petitioner's interests are relevant to the above-captioned proceeding.

THEREFORE, the Committee **ORDERS** that the Petition to Intervene in this matter be **GRANTED** and that Petitioner be placed upon the Proof of Service List as an Intervenor. Petitioner may exercise the rights and shall fulfill the obligations of a party as set forth in all Scheduling Orders to be issued in this matter and Section 1712 of the Commission's regulations. (Cal. Code Regs., tit. 20, § 1712.)

The Energy Commission welcomes and values intervenor participation in its energy facility siting process. A link to the Commission's regulations describing intervenor participation is posted on the left hand side menu of the Quail Brush Generation Project webpage at <http://www.energy.ca.gov/sitingcases/quailbrush/>.

As an intervenor, Petitioner is required to file and serve documents on other parties and to follow the Commission's procedures and orders regarding presenting witnesses and evidence.

Petitioner is further required to review the rules regarding filings, the rules of evidence that apply at the evidentiary hearings, the rules prohibiting off the record contacts with Commissioners or the Hearing Adviser about the merits of a project, and the rules about filing data requests. (Cal. Code Regs., tit. 20, §§1001 through 1217, 1712 et seq.)

PETITIONER'S FAILURE TO FULFILL THESE RESPONSIBILITIES MAY RESULT IN THE COMMITTEE LIMITING OR PRECLUDING PETITIONER'S PARTICIPATION IN THE PROCEEDINGS.

If Petitioner needs any help with participating in the siting process, contact the Public Adviser's Office at (916) 654-4489 or (800) 822-6228, or e-mail: publicadviser@energy.ca.gov.

Direct questions of a legal or procedural nature to Raoul Renaud, the Hearing Adviser, at (916) 651-2020, or e-mail: raoul.renaud@energy.ca.gov.

The Executive Director or his designee shall ensure that the Petitioner is immediately provided with a copy of the Application for Certification.

Dated: December 18, 2012 at Sacramento, California.

RE: **QUAIL BRUSH GENERATION PROJECT**

Proof of Service List

Docket No. 11-AFC-03

Attached is the **newly revised** Proof of Service List for the above-mentioned project, current as of December 18, 2012.

Note that the presumptions about e-mail only service of documents on the parties have changed. Formerly, you had to affirmatively indicate your willingness to accept e-mail only service. Now all parties are presumed to accept e-mail only service unless they specifically inform us that they wish to receive paper copies.

Also note a NEW procedure for providing documents to the Commission Staff, Commissioners, Commissioner Advisers, and Hearing Officers. They will now get their copies of documents directly from the Dockets Unit after the document has been accepted and filed. This will ensure that they are working with the actual filed documents and do not inadvertently see documents that have not been properly filed with the Commission. The Proof of Service list has been modified to list those persons without any e-mail or mailing addresses, for the convenience of people who also use the list to remember who is involved in this case. **DO NOT SEND DOCUMENTS TO THOSE PERSONS UNLESS YOU ARE SPECIFICALLY DIRECTED TO DO SO.**

Pursuant to the "General Orders Regarding Electronic Document Formats, Filing and Service of Documents and Other Matters" adopted in this proceeding, until a party indicates to the Presiding Member or Hearing Adviser that it requires a hard copy, an e-mailed copy of all electronic documents of 5 megabytes maximum file size is sufficient for service in this proceeding. No hard copy of an e-mailed document need be provided. Where a party is designated on the Proof of Service List for this proceeding as "hard copy required" or similar words, parties shall deliver a paper copy of all written material they file in this proceeding in person or by first class mail, or other equivalent delivery service, with postage prepaid to the person so designated. Regardless whether a party has indicated a preference for hard copies, documents larger than 50 pages may alternatively be sent in the form of an electronic file recorded on a compact disk rather than as a paper copy, provided that the party is offered the opportunity to request a paper copy.

Unless otherwise specified in a regulation, all materials filed with the Commission must also be filed with the Docket Unit. (Cal. Code Regs., tit. 20, § 1209(d).) Some regulations require filing with the Commission's Chief Counsel instead of the Docket

Unit. For example, Section 1720 requires a petition for reconsideration to be filed with the Chief Counsel and served on the parties. Service on the attorney representing Commission staff does not satisfy this requirement. This Proof of Service form is not appropriate for use when filing a document with the Chief Counsel under Title 20, sections 1231 (Complaint and Request for Investigation) or 2506 (Petition for Inspection or Copying of Confidential Records). The Public Advisor can answer any questions related to filing under these sections.

New addition(s) to the Proof of Service are indicated in **bold font** and marked with an asterisk (*).

Use this newly revised list for all future filings and submittals. This Proof of Service List will also be available on the Commission's project web site at:

<http://www.energy.ca.gov/sitingcases/quailbrush/index.html>

Please review the information and contact me at maggie.read@energy.ca.gov or (916) 654-3893, if you would like to be removed from the Proof of Service or if there are any changes to your contact information.
