Docket No. 12-CAI-04
1516 Ninth Street
Sacramento, CA 95814-5512

Subject: Bottle Rock Geothermal Power Plant Complaint; Docket No. 12-CAI-04

To Whom It May Concern:

It has been brought to our attention that the letter sent from the County to the Energy Commission dated November 28, 2012 contained a misstatement. The County would like to revise the statement as follows:

"1. The decommissioning plan for the power plant building has been renegotiated with ~~the Coleman Family Trust~~ V.V. & J. Coleman, LLC and will not be required to be demolished."

Revisions are provided in underline/strikeout format (new information/~~deleted language~~). Please contact me if you have any questions regarding this matter.
