Attn: Suzanne Korosec

Subject: Draft 2013 IEPR Scoping Order, Docket Number 13-IEP-1A

The Western Cooling Efficiency Center appreciates the opportunity to comment on the draft 2013 Integrated Energy Policy Report (IEPR) Scoping Order. The WCEC concurs with the current draft general topics. We also recommend that the following be included in the scope of the 2013 IEPR:

- Energy Efficiency
 - Analysis of climate appropriate cooling technologies on the basis of both energy savings and the offsetting of peak generating capacity needs.
- Natural Gas
 - Detection, prevention, and reduction of leaks in natural gas distribution networks
- Research, Development, and Demonstration
 - Evaluation and demonstration of climate appropriate cooling technologies, including but not limited to, advanced evaporative technologies and radiant technologies

Sincerely,
