**AMENDMENT
FOR THE CALICO SOLAR PROJECT**

Docket No. 08-AFC-13C

California Energy Commission

**DOCKETED

TN # 69444

FEB. 08 2013

**FEBRUARY 2013
REVISED COMMITTEE SCHEDULING ORDER**

On April 20, 2011, the Energy Commission Siting Committee convened a public site visit and conducted an Informational Hearing in Barstow, California regarding Calico Solar, LLC's Petition to Amend filed on March 22, 2011. On May 2, 2011, we issued a Committee Scheduling, Briefing, and Procedures Order. Subsequent events have rendered the schedule and other provisions of that order moot or obsolete. We therefore issue this revised order to update the schedule regarding the processing of a revised Petition to Amend filed on June 26, 2012.

K Road Calico Solar, LLC, the project owner, in a Status Report filed on September 6, 2012, requested that we postpone our informational hearing on the revised Petition to Amend until after it has prepared certain supplementary reports and Commission staff has an opportunity to review those reports. It suggested that monthly status reports be used to inform the parties and Committee of its progress. On October 1, 2012, we issued a Revised Committee Scheduling Order calling for monthly status reports. The project's status has not changed since that schedule was released. We adopt the attached revised schedule which reduces the frequency of status reports to quarterly, and makes the filing of status reports mandatory for the project owner and optional for staff and the other parties. Any party may file a status report between the scheduled dates when it has information it wishes to call to our attention.

The Committee may modify the schedule at any time upon either its own initiative or a party's motion.

The review of the revised Petition to Amend is a continuation of the amendment proceeding begun in 2011. Persons previously approved as intervenors retain that status and do not need to file another petition to intervene.

The requirement contained in the May, 2011 Committee Scheduling, Briefing, and Procedures Order that "data requests may be propounded only upon Calico Solar, LLC and any such requests may be propounded only after the Committee issues written findings of "good cause" is revoked.
