**Re: Huntington Beach Energy Center Project (12-AFC-02)  
Request for Extension to Submit Responses To CEC Staff's Data Requests, Set  
Two (#74-77)**

Dear Commissioners and Ms. Miller:

On December 20, 2012, CEC Staff issued Data Requests, Set Two (#73-98) ("Data Requests") and identified January 22, 2013 as the date by which responses to such Data Requests are due. On January 9, 2013, Applicant provided CEC Staff and the Siting Committee with a list of requests that Applicant determined would require additional time beyond January 22, 2013 for Applicant to fully respond. Since that date, Applicant has worked diligently to prepare responsive data Staff seeks in the Data Requests and it has become evident that the modeling analyses required for responses to Data Requests 74-77 (Public Health) will require additional time to complete.

Applicant wishes to inform the CEC Staff and Siting Committee that responses to Data Requests 74-77 will not be available by February 15, 2013. Applicant has determined that preparation of responses to Data Requests 74-77 will require an additional week to complete. Therefore, Applicant will provide responses to Data Requests 74-77 on or before February 22, 2013.

February 8, 2013

Applicant's consultant, Jerry Salamy of CH2M Hill, communicated this additional extension to Felicia Miller on February 8, 2013, and Ms. Miller was amenable to allowing Applicant an additional week to prepare such responses. All other outstanding responses to Data Requests, Set 2, will be provided on or before February 15, 2013 as previously noted.

As set forth herein, Applicant will provide responses to Data Requests PH-74 through PH-77 on or before February 22, 2013.

Very truly yours,

Melissa A. Foster
