To: California Energy Commission

Attached is Truckee Donner Public Utility District's electricity supply resource plan.

California Energy Commission specifically requires the load-serving entities (LSEs) other than investor-owned utilities (IOUs) to file certain electricity resource planning information by Friday, April 26, 2013;

"The electricity supply resource plan information to be provided by LSEs is identified on the following forms, which are included with these instructions:

- S-1: Capacity Resource Accounting Table
- S-2: Energy Balance Accounting Table
- S-3: Hourly Loads in 2012 for POU's with less than 200 megawatts (MW) Annual Peak
- S-5: Bilateral Contracts and Power Purchase Agreements"

The information required is attached to this email in excel format.

Note, All of Truckee Donner PUD's load is located within the Sierra Pacific Power Company (SPPC) transmission control area.

Generation is supplied to SPPC transmission control area to meet Truckee Donner PUD's load requirements.

If you have any questions, please email Stephen Hollabaugh.
