California Energy Commission:

Subject: Docket #13-IEP-1 City of Anaheim Resource Plan

The City of Anaheim is pleased to submit the attached data, in response to the CEC request for Docket #13-IEP-1B Resource Plan.

Anaheim has received confidential designation on some of our S-5 data as part of the 2009 CEC IEPR filing. A separate worksheet in the workbook labeled as "S-5 Confide.Bilateral Contracts" is highlighted in yellow along for the items that have been granted confidentiality.

Additionally, Anaheim would like to rescind our Application for Confidential Designation of the Supply and Demand Forms, that was submitted 4/26/13. In lieu of the application for confidentiality, Anaheim has included additional notes for the S-1 and S-2 forms, to explain our forecasted data. It is important to Anaheim that this data only be used for the CEC IEPR and not by other agency.
