None

Further description of facility output profile, if necessary:
None

Description of contract terms related to the provision of substitute energy, if necessary:
None

We are asking that the Commission find that this contract is compliant with the greenhouse gases emission performance standard set forth in Chapter 11 of Title 20 of the California Code of Regulations. Specifically, City of Riverside asserts herein that the facility under contract is compliant pursuant to Section §2903(b) of the regulations, and that any substitute energy allowable under the contract meets the requirements of Section §2906.

California Energy Commission Emission Performance Standard Compliance Filing

I, the official named below, certify under penalty of perjury, the following:

1. I am an agent of the City of Riverside, authorized by its governing board to sign this attestation on its behalf;
2. City of Riverside has reviewed and approved in a noticed public meeting both the covered procurement described above and this compliance filing;
3. Based on City of Riverside's knowledge, information, or belief, this compliance filing does not contain any material misstatement or omission of fact; and
4. Based on City of Riverside's knowledge, information, or belief, the covered procurement described above complies with Title 20, Division 2, Chapter 11, Article 1 of the California Code of Regulations.

City of Riverside
