Kimberly,

Mark Kootstra forwarded me your question on the RPS Regulations being removed from the May 8 Business Meeting agenda. Written comments were due May 6, and we had been hearing more concern from stakeholders than we had expected, so we decided to delay our decision until we had more time to consider the written comments.

Subject: CEC RPS Enforcement Regs (Question)

Hi Mark,

I noted that the Enforcement Regs item was taken off the agenda for today's business meeting. Would you happen to know why?
