October 9, 2013

To CEC,

Hello from Grossmont Union High School District. Our district is currently in the middle of a bond program (Proposition H and U). Our current expenditure plan includes State Matching funds from School Facility Funding Program. Can Prop 39 funds be combined with State Facility Funding Program for energy savings projects? Any help would be greatly appreciated. Please do not hesitate to call if me if you have any further questions. Thank you!

Sincerely,

Prince Dumaran
Project Manager
