Dear State Energy Resources Conservation and Development Commission,

I am Steve Uhler, California Citizen,

Thanks for allowing me to comment on Appliance Efficiency Regulations, Administrative Civil Penalties, California Code of Regulations, Title 20. Public Utilities and Energy Division 2. State Energy Resources Conservation and Development Commission, Chapter 4. Energy Conservation, Article 4. Appliance Efficiency Regulations, Section 1609, August 25, 2014, Section 1609. Administrative Civil Penalties.

One question:

If it is not illegal for me to purchase a appliance that is not in the Appliance Efficiency Database, why is it illegal for someone to sell it to me?

Please add this question to my prior comments, Steve Uhler's comments Re- Docket No. 12-AAER-1 per http://www.energy.ca.gov/appliances/enforcement/notices/2104-09-02_SB_454_nopa.pdf_Ver001.pdf

Thanks,

Steve Uhler
