California Energy Commission

DOCKETED

14-BSTD-01

TN 73983

NOV 12 2014

Docket # 2014-BSTD-01

I have not had a chance to review the 2016 Standards yet, as I am still devoting time to master the 2013 standards. Even the building department personnel are having trouble with the 2013 standards. I believe it is time to make the standards simpler as opposed to more complicated in each code cycle.

Thank you,

Gary G. Formoe
