RE: Coronal Management LLC's Request for Extension of RPS Certification Deadline for Farmersville 1 (CEC-RPS-ID No. 62713C), Farmersville 2 (CEC-RPS-ID No. 62714C), and Farmersville 3 (CEC-RPS-ID No. 62715C)

Dear Mr. Feo:

This is in response to Coronal Management LLC's November 6, 2014 request for extension of the RPS certification application deadline for the facilities mentioned above. Resolution 14-0422-11, adopted at the Energy Commission's April 22, 2014 Business Meeting, established a process to allow the Executive Director to extend and waive application deadlines for RPS certification in certain circumstances and specified the criteria and process for requesting such extensions and waivers.

Energy Commission staff has reviewed the documentation submitted by Coronal Management LLC pursuant to Resolution 14-0422-11. Based on the explanation of the circumstances surrounding Coronal Management LLC's inability to submit a timely application for certification and the financial consequences of not granting an extension, I have determined it is appropriate to grant an extension of the RPS certification deadline from October 28, 2014, to November 4, 2014, and to allow the original RPS eligibility date of March 6, 2014, to be retained.

Energy Commission staff will continue processing the Coronal Management LLC's application and if application is approved, will provide an RPS Certificate for the facility that shows this original eligibility date in the near future. If you have further questions about this matter, please contact Lynette Green at [Lynette.Green@energy.ca.gov] or 916-653-2728.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Oglesby', with a long horizontal line extending to the right.
