**Subject:** DRECP NEPA/CEQA - Docket No. 09-RENEW EO-01

California Energy Commission

**DOCKETED**

**09-RENEW EO-1**

TN # 7403

DEC 02 2014

I forgot this project will also use water we do not have to spare and steal it from the desert plants that are already struggling to keep up with the lowering of the water table. We have a drought and with climate change it is not likely to get better but worse. This project has a roof top solar alternative that was not even considered.
