California Energy Commission

DOCKETED

09-RENEW EO-1

TN # 75067

FEB 23 2015

Dear California Energy Commissioners,

Please see the attached Excel file for 3,602 letters from the activists and supporters of the Center for Biological Diversity. These letters, many of which are personalized, urge you to make substantial improvements to the draft Desert Renewable Energy Conservation Plan and then rerelease the plan for public review.

Thanks for your time and your serious consideration of each of these letters.

Sincerely,

Rick Mick
