Re: DOCKET NO.15-BSTD-01 and DOCKET NO.15-CALG-01  
(Proposed amendments to Part 1, Chapter 10 and Part 11)

Dear Mr. Ownby:

The California Building Standards Commission (CBSC) is recommending minor edits to the California Energy Commission's (CEC) proposed modifications to the California Administrative Code, Part 1 and the California Green Building Standards Code (CALGreen), Part 11, Title 24, California Code of Regulations.

These comments are intended to coordinate the CEC's proposed modifications to the administrative procedures for local ordinance submission with the modifications being proposed by the CBSC in the 2015 triennial code adoption cycle.

Sincerely,

Jim McGowan  
Executive Director
