Subject: HERS Raters Conflict of Interest

California Energy Commission

DOCKETED

12-HERS-01

TN # 75684

MAY 04 2015

Hi Rachel, just wanted to let you know that in my opinion, HERS Raters need to remain independent 3rd party inspectors. As such, I believe pulling permits for HVAC contractors in order to secure their HERS Rating business is a clear violation of that 3rd party status. I am asking that the CEC recall their stated interpretation of the HERS Rater Conflict of Interest rules pertaining to this practice.

Thanks for listening.
